Promotion 2024 - Ends on December 31, 2024

1. The app setup (logo, name, imprint, privacy policy) costs €60.00 per setup. The annual license fee is €120.00.
2. This temporary promotion waives the license fee in the first year of licensing.
3. An Android app (APK file) will be provided. The installation of the app on Android devices is the responsibility of the purchaser or the qualified representative of the purchaser.
4. The number of installations is unlimited during the license period but is exclusive to the travel agency that is the purchaser of the app.
5. The license is automatically renewed for 12 months each January unless the user license is terminated no later than 2 months prior.
6. License termination via email to proliz@web.de is accepted.
7. The license fee for the current calendar year is prorated for the remaining months until the end of the year.
8. License invoices are payable without deduction within 14 days, with the invoice number specified, to an account mentioned in the invoice. The license fee is exempt from value-added tax according to § 19 UStG.

Should participation in this app version be published to potential vacation travelers (www.thatssoft.de)?
